29 April 2015

Principal’s Message

Dear Parents

Last week, I was proud to witness the respectful way our school commemorated the Centenary of Anzac. I congratulate the teachers and students of year six for a moving school Anzac service on Friday. The service was attended by a large group of invited guests. I was proud of the students in the audience who were attentive throughout the ceremony. Senior students then presented a similar ceremony in the afternoon at Chelsea Retirement Village which was well attended and much appreciated by the staff and residents. Also on Friday, student council representatives Eli Simpkins and Taryn Knight travelled to Cooroy on the Anzac Troop Train. They spent quite some time conversing with the Acting Prime Minister and Federal Member for Wide Bay, Mr Truss when he sat with them. On Anzac Day, the school leaders contributed to the Tinana Dawn service by reading the names of the fallen and the school choir sang beautifully. Later, more than 100 students and staff marched to the cenotaph in the Anzac street parade. The school leaders laid a wreath at the cenotaph on behalf of the Tinana School community. Lest We Forget.

Students in years 3 and 5 are currently preparing for the upcoming National Assessment Program Literacy and Numeracy (NAPLAN). Students are sitting practice tests to familiarise themselves with test protocols and skills. Students are assessed in Reading, Writing, Spelling and Grammar and Numeracy. Results are comparable with all students from other states in the specified year level. Students are offered a healthy breakfast and relaxed environment prior to sitting the tests each day. Please ensure your child is at school on 13, 14 15 May.

Reading Targets by the end of Term Two

Students in Prep will participate in the Australian Early Development Census this term. The census collects data on 5 key areas of Early Childhood Development to inform national planning regarding early childhood services. Teachers will undertake training prior to conducting the assessments. A letter will be sent home informing parents of this program this week.

The ANZAC memorial wall and timeline is now mostly completed. All that remains to be done is to identify those Diggers who fought in World War One and who attended Tinana SS. If anyone has any information regarding relatives who meet these two criteria, please make contact with Leeanne McIndoe our P&C President. I personally acknowledge and thank Leeanne McIndoe, Jo Douglass and Rob McIndoe who have invested countless hours of their time to ensure this project has been a success.

I met with a representative of the council to peruse a concept drawing for the development of a new parking space behind the hall. Some road base will be put down in the interim to make the parking area more all-weather. The new pathway from the hall pedestrian crossing to Lindah Road has improved safety for pedestrians and cyclists using this route. Additional bollards will be installed in the near future.

This term in PE, Mrs Murtagh is teaching the various disciplines of Track and Field in readiness for our school athletics carnival. Laver and Chappell houses will be looking to turn the tables on Wickham house after their strong showing in the Cross Country last term. Track and Field practices will take place each Friday between now and the carnival day. Dayne Frew from AFL Wide Bay will present the Auskick program which will be offered to Tinana students after school again this term.

The P&C held their general meeting last night. A couple of fundraisers are currently underway. Students can purchase something for Mum from the Mothers’ Day stall with nothing over $5. We need your 5c pieces as well. A bottle is available in each classroom to receive your 5c pieces. All proceeds from both fundraisers goes to the air-conditioning fund. A special General Meeting will be held tomorrow (Thursday) in the Library at 3.15pm to adopt the new Constitution which reflects changes made to the Education Act.
Thank you to the residents adjacent to the school for your support in contacting the police to inform them of intruders on site after school hours. It is comforting to know that our community values our school and reports suspicious activities.

Sustainability News

Sustainability Squad News

Hello, My name is Leah I am one of your Sustainability Leaders for 2015. About me:
• I believe we should keep our environment clean.
• I do what I can to raise school awareness about endangered animals.
• I DISLIKE littering!

Hello, My name is Brooke I am also one of your Sustainability Leaders for 2015. About me:
• I love the environment.
• I hate littering and believe there should be no such thing as pollution.
• I have been in the Sustainability Squad since it first started.

Do YOU love the environment? Do YOU want to keep our school clean?
Would YOU like to join the Sustainability Squad?
We meet on Tuesdays at lunchtimes in the Library.

Some of the great activities we will be organising this year are nude food and clean up days, we will also have a Sustainability Stall at Family Fun day again. Look out for lots of other competitions and tips on how to be sustainable throughout the year.

Chappy News

Chappy News
Welcome back everybody!!!

Term 2 is an action packed term. Three big events on the ‘Chaplaincy Calendar’ include: Naplan Breakfast, Eisteddfod training and Chappy Week.

Tinana’s ANZAC Day Ceremony was a special one this year. The hard work of the P&C paid off and the new timeline and wall look amazing. Congratulations to everyone involved and thank you to those businesses and parents who have supported this project. It certainly adds to the spirit of excellence within our school community.

Congratulations—and ‘thank you’- to our year 6 teachers and students. The ANZAC ceremony was an especially memorable one this year. The staff continue to do us proud and the students had very high expectations to meet, and they far surpassed these expectations.

NAPLAN Breakfast Club is fast approaching. The mornings before NAPLAN testing (May 11-13) I will be hosting our traditional NAPLAN Breaky Club. Victory Care Services and The Food Basket will be providing the lion’s share of the food for these events and we are very grateful to their contribution. We are asking for parent donations of eggs. Pancakes and scrambled eggs are on offer and have been a traditional favourite. To make this possible we are asking parents to leave donations of eggs at the office from now until NAPLAN. If you would like your egg carton returned, please leave a note on the carton with your name and class on it.

Notes will be sent home to the students who are invited to the Naplan Breaky Club, which will be all students in years 3 and 5. These notes will explain the details further. We will be looking for parent volunteers on those mornings to help serve. If you are able to join the team of volunteers please see me and I can give you more information.

Maryborough Eisteddfod begins Monday August 10th. While week 5, term 3 seems a long way off, it will come around quickly. I will be working with some junior classes after NAPLAN to prepare them for the Eisteddfod next term. This is always a highlight of my chappy year.

YCDI Club starts again this week. It won’t happen in weeks 3, 6 or 8. Up until this term, I have had some flexibility with my hours as I only worked as a chappy 4 days/week. I have currently taken on an extra day at Aldridge which gives me less flexibility to swap days. Weeks 3 and 6 have been changed due to school camps and week 8 had a change of days due to the Show Holiday.

School Holiday Program. For those students who attended our ‘Wreck It Ralph’ school holiday program last year, be sure to book in for the program this year. The theme is ‘Big Hero 6’ and it will run through the second week of the June-July school holidays (July 6-10). It runs every morning from 9-12. More details to come, but if your children enjoyed it last year, be sure to book them in again before spaces fill up again.
On a personal note: I was interviewed by SU because they were wanting to use my ‘chappy profile’ in a document. The interviewer asked me a question. She asked, ‘Over the 8 years you have been a chappy at Tinana SS, what are some of the highlights?’ My brain scanned through years of heart wrenching, heart warming and heart breaking moments that I have shared with so many of you. I couldn’t bring myself to share any one moment or story, rather shared about the outstanding school community I work in and the fabulous parents who have graciously embraced the role of ‘school chaplain’ in the school. Thank you to every one of you who adds an extra sparkle to the community of excellence that is Tinana SS community.

Term 2 is big—but let’s make it amazing. Commit to making every day count.

Amanda the Chappy.

ITEMS OFFERED FOR SALE BY TENDER
TINANA STATE SCHOOL

Process: The listed items are being made available for sale by Tinana State School via tender process. Tenders must be submitted on the attached tender document.

Timeline: Tenders will be accepted from Wednesday 29th April until 2:30pm Friday 15th May 2015. No tender will be accepted after this time. Persons submitting successful tenders will be notified as early as possible in the following week and are asked to finalise payment and collection of their goods by 2:30pm Friday 22nd May. Delivery charges are the responsibility of the purchaser.

Tenders must be submitted to:-

The Principal,
Tinana State School,
239 Gympie Road Tinana Q 4650

And marked “Confidential”

Condition and Inspection of Goods: Items are available to inspect in the Reprographics Rooms at the School. You will need to contact the Office to arrange viewing.

After the Sale: No warranty or backup service is available, either implied or stated. Tinana State School cannot and will not provide any support either by way of parts or expertise after items have been removed from the school.

Conditions: The Department of Education and The Arts Queensland reserves the right not to accept a tender, and may set a reserve price. Whilst all care has been taken, the Department of Education and the Arts disclaims all liability for loss or damage to person or property arising from removal and subsequent use of any item for tender.

TENDER FOR SECON DHAND ITEMS FROM TINANA SS

This document should be enclosed in an envelope marked “CONFIDENTIAL – OFFER FOR ITEMS” and submitted to:-
The Principal
Tinana State School
239 Gympie Road
TINANA Q 4709

to arrive at the school no later than 2:30pm, Friday 15th May 2015.

**Book Club**
Cheque/money order or Credit card payments by phone or online are the only method of payment accepted for book club.

- Automated FREE call 1800 557 908

**ABSENCES**
Please Phone 4120 8066 and leave a message on the Absence Line in the event of a student being absent. Please phone each day your child is absent from school unless the office has been previously advised of the absence. Verbal messages by the student are not sufficient. This prevents any misunderstanding and ensures the safety of your child. Please note that, by law, we are required to report any long term unexplained absences from school which may then be investigated by the police.

**LATE ARRIVAL**
The school day begins at 8:45am and all staff will begin instruction at this time. Arrivals after 8:45am are considered to be late. Late arrival should be accompanied by a note but parents may ring the office with this information. Students must first report to the office to obtain a late slip that is to be given to their teacher.

**EARLY DEPARTURE**
Children leaving school early must be picked up from the office. Parents may ring in advance to arrange for their child/ren to be ready for collection, or send a note to the class teacher. Your child will be given an early departure slip from the office.

**MONEY COMING TO SCHOOL**
Would parents please ensure that any money sent to school for any purposes other than tuckshop is sent directly to the office and is placed in an envelope with student’s name, grade and particular item or excursion they are paying for, clearly marked on the front of envelope. Pre-printed envelopes are available at the office for any payments. Parents that prefer to deposit the funds directly into the school bank account are requested to advise the office of the deposit and to use the student surname and invoice number as the payment reference. As large amounts of money pass through the school office it becomes difficult and time consuming to identify payments without this information.

Family Fun Day Raffle

We have a new and exciting prize this year for our Family Fun Day Raffle. Tickets will be distributed early so that families have a chance to sell as many as possible before Family Fun Day. Please be aware that all tickets need to be accounted for and must be returned whether sold or unsold. More information is found in the link below.

Air Conditioning Fundraiser

A reminder that the P & C Resource Voluntary Contribution is due by Friday, 1st May 2015. All contributions will go towards air-conditioning the classrooms. The contributions have not increased for this year. The amount is $20 for one child, $40 for two children and $50 for three or more children at school in grades Prep to Year 6, or feel free to donate more towards the Air Conditioning Fund. Please send your contributions to the office in a envelope labelled “P&C Contribution” with your children’s names and classes.

Thank you to those who have already made a contribution.

BILLY G’S GOURMET COOKIE DOUGH - EASTER FUNDRAISER

Thanks to everyone who helped make the Billy G’s Gourmet Cookie Dough Fundraiser a huge success. We raised $3,109.20, which was excellent. There were a few big orders and it is really appreciated to those that made the extra effort to get outside orders which helped increase our profits. I would also like to thank everyone who came and helped sort the orders on delivery day; it was great to see so many helpers.

If you missed out on purchasing some Cookie Dough or if you loved it that much you would like to get some more, we have some extra tubs to sell. There are 4 Choc Chunk and 3 White Choc Macadamia available to purchase. If you would like to purchase some they are $13 each and are available from the Tuckshop on Tuckshop Days.

Fundraising Committee

School Banking

Welcome back, we hope you all had a good break. Firstly, thank you for banking with us in Term 1, we have had a great term and the School Banking Program continues to help support the school. Don’t forget to bank each Tuesday so that you child can receive their silver token, and once they have 10 tokens they may order from our exciting Outer Space Savers Rewards.

Banking Rewards for Term 2

Invisible Ink Martian Pen
Intergalactic Rocket

Term 2 Competition

Dust off your imagination; grab your most winning colours. The Dollarmites want to encourage School Banking student to keep up their regular savings habits, so in Term 2 we are running a Colouring In Competition.
Competition Details
Simply make 5 or more School Banking Deposits during this term and you’ll be automatically entered into the competition. School Banking Students will receive a Dollarmite Colouring Activity this week.

We have 2 prize packs to be given to the lucky winners.
Judging Categories: Prep to Grade 2 & Grade 3 to Grade 6.
Entries to be returned to the Office by Monday 15 June 2015. Winner will be announced at the end of this term.

Get your child started with School Banking.
As the school is already involved, all you’ll need to do is open a Youthsaver account for your child.

1. Apply at a branch or over the phone – Visit the Maryborough Branch in Adelaide Street or call 13 2221 at any time.
2. Forms are available at the school office. Complete and return this form to the office and we will do the rest.

Gold Platy Trophy
Every month we will be giving a class the chance to win the Gold Platy Trophy. School Banking Students will need to make a deposit no matter how big or small every week. The more deposits your class makes, the more entries your class will receive and at the end of the month we will award the Gold Platy Trophy to the Top Class of Bankers.

Banker of the Week

Our lucky bankers for week 1 & 2 are Damon, Abigail and Xavier. We hope you enjoy your new prizes. A lucky banker will be drawn each week and get to choose a prize from our prize bank. Don’t forget you have to bank once a week to go into the draw.

Regards, Tammy & Jodie, Banking Co-Ordinators

Grant Committee
Grant Writing
We had a wonderful Anzac Ceremony on Friday and I would like to thank everyone who helped make it a special day. I will be talking about the wall and going into depth about some of the people who helped make the Memorial Wall a reality in the next issue. I wanted to mention the below listed businesses who donated goods or services. Thank you, as without your time & help, it would not have been so successful.

- Allweld Manufacturing Pty Ltd

- Apex Masonry
- Bryne Bros. Concrete
- Bunnings
- Dirt Diggas
- Holmes McLeod Consulting Engineers
- Jigsaw Garden Centre
- Neville Ward Fabrications
- Olds Engineering
- Peter Marshall Design Drafting
- Topline Trophies
- Wide Bay Turf

Building Active Communities Workshop

Free training and education for sport and recreation volunteers

Tuesday 13 May 2013 from 6–8pm

Hervey Bay Community Centre, 22 Charles Street, Hervey Bay QLD, 4655

Presenter: To be announced

This is a practical planning opportunity for club committees to decide on a vision for the future, assess internal and external issues, set goals for not only the coming season but for the next five years and produce an actual plan and develop actions.

Putting together plans and having time to think about the club’s future just doesn’t seem possible when you are already too busy working on what will happen this week. Unfortunately, if your club and its committee can’t make some plans to change for the better, every week will continue to be too busy! This workshop is your committee’s chance to make that time and be assisted in the process.

Participants will be guided through the planning process, from deciding on a vision to setting goals and implementing them - the more people from your committee that attend, the more useful the documents will be and the quicker they can be implemented.

Registrations close: Thursday 7 May 2015

RECYCLING FUN FACTS

**Plastics** - Recycled plastics are in everyday items you use at school - pencils, pens, erasers, watches, and even your backpack will have recycled plastic in it.

**Metal** - Metal is the easiest "element" to recycle and it is used in everything. From tin cans to car parts, you can find metal that is recycled from something or another. Recycled metal is melted down and poured into molds. Now that is cool. You can’t argue with how cool that is because you’re essentially taking a solid object, making it liquid, then shaping it back up. Recycling at its best.

**Paper** - This is the most common recycled product. Paper recycling helps reduce air pollution by 74 percent and 35 percent less water pollution. Every ton of paper that is recycled saves 17 trees, 463 gallons of oil, and saves 5 yards of landfill space. Paper is also the cheapest product to recycle because it is so quickly and easily made.

**Glass** - Glass is like metal. It can be recycled over and over again. Most "glass" products that you use are really only a quarter actual glass. It’s amazing because glass isn’t malleable - just highly liquefiable.

Of course there are a lot of other interesting and fun facts about recycling. No matter how interesting the fact is, we still have to recycle for the betterment of our environment. You will find it satisfying and rewarding.

**Brought to You by**

www.frasercoast.qld.gov.au/recycling

Imagine standing on stage during a live performance by the Australian Chamber Orchestra!

**ACO VIRTUAL takes you there.** Fusing digital technologies with visual and sonic innovation, this ground-breaking interactive installation allows you to conduct and even play along with the ACO.

This is an extraordinary new way to experience music.

**Location:** Gutakers Artspace – 315 Kent Street, Maryborough
**Dates:** 25 June – 2 August 2015

ACO VIRTUAL uses state-of-the-art technology and features projections of 13 of the ACO’s acclaimed musicians. Audiences are surrounded, with the sound of each musician coming from the direction of their individual projections. A touch-screen "music stand" allows you to spotlight and listen to one musician, a section of instruments or your desired selection of players. You can "invite" a concert and are immersed in a cinematic experience, surrounded by the musicians and manipulating what you hear and see.

The musical score can be turned on to stream along the bottom of the screen, meaning anyone who plays an instrument can play along with the ACO, even standing in for Richard Tognetti himself. A smartphone application further enriches the experience with information about the music, the ACO musicians and their instruments.

The work runs for 30 minutes and comprises carefully selected music by Bach, Tippett, Stravinsky and Piazzolla, designed to maximise the opportunity for audience participation. It delivers a unique and inspiring learning environment, giving you the opportunity to engage with – and learn from - world class musicians. You may not ordinarily have the chance to see performing on stage.

ACO VIRTUAL was produced by the Australian Chamber Orchestra and Made Productions.

**Things to see and do:**
- See how fast the musician's fingers move.
- Hear the sounds of each instrument with surround sound.
- Experience what the instruments sound like on their own, or in the whole – even just the double bass.
- Follow along with the projected musical score.
- Bring your own instrument and play along with the installation.
- Take the helm of the ‘greatest chamber orchestra on earth’ and stand in for Richard Tognetti himself.

**Planning your visit:**
- Entry to Gutakers Artspace is free.
- Recommended time in exhibition - allow approximately 30 minutes per session.
- Group Size: a maximum of 25 can be booked per session.
- We encourage you to divide your students into small groups. Gutakers Artspace has exhibitions in each of the four galleries. As students explore the exhibitions, adults can facilitate the learning process, such as reading a text, asking questions or sharing observations.

**Make a booking:**
All groups must book in advance to ensure access to the exhibition and availability of our staff to meet and assist your group.
