5 August 2015

Dear Parents

It was wonderful to return to school last week after my extended leave. I enjoyed my break and the opportunity to travel. Special thanks to Mrs Donohue, Mrs Stokes and Mrs Quinn for their work in leading the school while I was away.

It was exciting watching our students compete in the Station Square Spelling Bee Competition last weekend. Both of our year 3&4 teams competed well in strong competition to advance to the semi-finals which will be held next weekend. Should they be placed first in their semi-final, they will advance to the grand final to be held the following weekend. Good luck to all teams. Thanks to Mrs Evans and Miss Doyle for preparing the students for competition.

Last Wednesday, we had a visit from Mr Steve Case, Assistant Regional Director for North Coast Region. Mr Case reviewed our progress towards our Annual Improvement Plan, student achievement data and teacher professional learning. Next visit, Mr Case has asked to visit classrooms for the majority of his visit.

This month we host Family Fun Day on our site on Sunday 23 August. The donations are starting to come in for raffles and stalls. Your support is greatly appreciated and will contribute to the success of the day. Thank you to everyone who has sold raffle tickets for Family Fun Day. Please ensure your tickets are sold and returned to the school as soon as possible. There are many tickets still to be sold so if you can assist with those, please contact the school for details.

The School Opinion Survey has now closed. Thank you to everyone who spent some time providing us with feedback about our school. This is important information for us and is referred to in planning our school improvement work.

Yesterday, the students heard from author Peter Carnavas when he visited the school. Children’s exposure to published authors gives them insight into the thinking of the author behind the story and to writing techniques. Such inspiration supports learning in both reading and writing.

This week is the beginning of the Eisteddfod competitions. We have many students entered in choral speaking, vocal and individual sections. Many of our students have also entered privately. We extend our best wishes for success to all of our students competing this week. Thank you to the teachers and to Chappy Amanda for your efforts in preparing the students.

Last week, we had the Life Education Van on site. Students visited the van in their class groups to engage in activities on various age appropriate topics to assist in personal development. I have received very good feedback from teachers and students.

This Friday, the Tinana Track and Field Team will compete in the Maryborough District 10-12yrs Athletics. Students have been training with Mrs Murtagh and I’m told our team is ready to go. Good luck to all competitors. Selected students from year 6 will attend as volunteers to assist the officials to run the day.

Last week I met with officers from Building and Asset Services to review our maintenance program. Most maintenance work is up to date with a few smaller jobs still to be actioned. Several hundred thousand dollars have been invested in maintenance
and upgrades over the last few years. In other facilities news, we were successful in receiving a grant to install big fans for the hall. We are currently undertaking procurement processes and installation will occur as soon as we have identified a supplier.

There will be no assembly in the hall next **Monday 10 August** as we will again host chess teams from around the district in the next round of competition. Good luck to our chess players as they engage in a battle of strategy and concentration.

**Chappy News**

I am currently away at our State Chappy conference held for the first time this year at the Gold Coast. It runs from Monday to Thursday and hopefully it will be jam packed with fresh ideas for me to bring back. I will be back in Maryborough on Friday 7th August and Monday the 10th August. These two days will be filled with last minute rehearsals for the Eisteddfod and will be shared between Tinana and St Helens. After the Eisteddfod on the 11th, I will be on school camp with St Helens from 12th-14th of August. My timetable should be back to normal again by Monday 17th August.

Eisteddfod Rehearsal is well under way. Eisteddfod is such a wonderful way of helping our students learn some of our keys to success. It’s a fantastic opportunity for students to gain confidence, work on their ‘Getting Along’ skills as well as persisting at the task at hand. A huge ‘Thank You’ goes to all the junior school staff who have given up precious curriculum time to allow for rehearsals. I am sure our students are better for having had this experience.

If you would like to go to the Eisteddfod, please pre purchase your ticket from the Broglia before the day. There will literally be hundreds of students competing in our sections and it would be a shame to miss out on your class performance due to ticket queues. Tickets are $6 an adult and $4 a concession. Please remember no photos in the auditorium—we will make sure we capture class photos after the performance. The program for the morning is as follows:

**Tuesday 11th August Brolga Main Auditorium**

**Session Starts 8:30am**

**First Item:** Dramatic performance

There are 5 competitors in this section and their performance has a time limit of 10 minutes.

**Second Item**

Item 247: Choric Speaking—Prep-Grade 1

1. St Mary’s
2. St Helens 1B
3. Tinana Prep C
4. Tinana 1A & 1L
5. St Helens 1A
6. Tinana Prep S
7. Tinana 1M
8. Tinana Prep BF

(Judging is most likely going to happen after this section).

**Third Item**

Item 248: Choric Speaking—Grade 2-3

1. Addictive Dramatics
2. St Mary’s 1/2
3. Tinana 2S & 2/3 DC
4. Addictive Dramatics
5. Tinana 2CR & 2W
6. St Mary’s 3M
7. Tinana 3E & 3D

**TECHNOLOGY in Term 3**

Technology will be taught by a specialist for year 2, 3 and 4. Innovative challenges may include designing and constructing playgrounds, clubhouses, bridges, musical instruments or all-terrain vehicles and recording progress through various digital technologies!! We require your support to collect household recycled objects to be used in the construction of some of these exciting challenges. For hygiene purposes please wash out containers with hot soapy water and let items dry before bringing them in. Plastic bags with clean items may be donated at the office. We appreciate your support!!

Useful items include:

- Cardboard boxes – small and medium sized boxes, cereal boxes, cosmetic boxes, shoe boxes.
- Magazines, newspapers
- Lids - Milk bottle plastic lids
- Plastic containers - Ice cream containers, yoghurt containers and small tubs
- Cardboard tubes – cling wrap tubes, alfoil tubes
• Materials – cellophane, scrap fabric, paper bags, wrapping paper, wall paper scraps, carpet scraps
• Rubber bands, paper clips, masking tape, sticky tape

EARLY DEPARTURE
Children leaving school early must be picked up from the office. Parents may ring in advance to arrange for their child/ren to be ready for collection, or send a note to the class teacher. Your child will be given an early departure slip from the office.

MONEY COMING TO SCHOOL
Would parents please ensure that any money sent to school for any purposes other than tuckshop is sent directly to the office and is placed in an envelope with student’s name, grade and particular item or excursion they are paying for, clearly marked on the front of envelope. Pre-printed envelopes are available at the office for any payments. Parents that prefer to deposit the funds directly into the school bank account are requested to advise the office of the deposit and to use the student surname and invoice number as the payment reference. As large amounts of money pass through the school office it becomes difficult and time consuming to identify payments without this information.

NEW PAYMENT METHOD
There will be a new payment method available shortly for parents to pay invoices, please check out the pamphlet for more information.

If you know of families that intend on enrolling in Prep 2016, please ask them call us on 41208000, or email news@tinanass.eq.edu.au

ABSENCES
Please Phone 4120 8066 and leave a message on the Absence Line in the event of a student being absent. Please phone each day your child is absent from school unless the office has been previously advised of the absence. Verbal messages by the student are not sufficient. This prevents any misunderstanding and ensures the safety of your child. Please note that, by law, we are required to report any long term unexplained absences from school which may then be investigated by the police.

LATE ARRIVAL
The school day begins at 8:45am and all staff will begin instruction at this time. Arrivals after 8:45am are considered to be late. Late arrival should be accompanied by a note but parents may ring the office with this information. Students must first report to the office to obtain a late slip that is to be given to their teacher.

http://www.youtube.com/watch?v=s6sTvCtekU

WE ARE APPEALING FOR VOLUNTEERS FOR THE TUCKSHOP

Tuckshop is in need of some new Volunteers! We have had to say goodbye to some helpers lately due to work or other family commitments. The last few Friday lunches have gone out late. Please if you are available on either Tuesday or Friday for even just an hour or two please put your name down at the Office or come see me at the Tuckshop Monday morning, Tuesday or Friday. Any shift you can do is always greatly appreciated. Mums, Dads and Grandparents are all welcome. We are a friendly crew and always enjoy meeting new people.

If you are unable to Volunteer your time, then maybe helping keep our pantry stocked is a better for you. Donating one of the following items each term helps keep our costs down.

Pantry Items - Can you donate??

- 2 Boxes of Jelly
- 2 Tins of Corn

P&C Spotlight

The P&C will be introducing some of our Executive and Committee members over the coming newsletters. We welcome anyone to join us at the P&C Meetings. Please find this year’s meeting dates below in the newsletter. Come and find out what is happening behind the scenes of the Parent and Citizens Committee.

Chanel Bishop is our Tuckshop Convenor. She is a dedicated volunteer and our only paid position on the P&C. The Tuckshop Convenor's position is partly paid and largely voluntary. Chanel puts in many hours preparing and organising menus, food preparation, cooking, organising volunteers and rosters. Chanel has been involved with the P&C Committee for 4 years. Chanel was previously the Fundraising Coordinator and a Tuckshop Volunteer before becoming Convenor. She has two children with her oldest in Year Three at Tinana. Chanel says that “the Tuckshop is a great place to make some new friends and have some fun, so come along and join us on Tuesdays and Fridays!”

Luke Clayton is our Tuckshop Treasurer. As Tuckshop Treasurer he is responsible for the financial workings of Tuckshop including paying suppliers, wages, and other bills. While Luke’s Treasurer work is mostly behind the scenes he is often found helping with building projects such as the Prep Playground or organising the electrical needs of Family Fun Day! Luke has two children at Tinana State School in Years 1 and 5. Luke says “it is great getting involved in your local community and the P&C is a great organisation to be a part of”

Uniform Shop is open Tuesdays and Fridays 8-9am.

Family Fun Day Raffle

HAMILTON ISLAND RAFFLE FOR FAMILY FUN DAY

Keep the raffle tickets coming back in either sold, partly sold or unsold. As these Raffle Tickets are printed and numbered, we have to account for all raffle tickets.

All tickets sold or unsold are due back by Wednesday, 19th August, 2015. If you are able to send them back in as soon as possible, this will give us time to see how many are left to sell before Family Fun Day.

We have some spare raffle ticket books, so if you would like another book, just leave your name at the office and we will issue you another book.

Thanks to everyone who have already returned their books and to the families who have taken another book.

School Banking

Each week you can bank as much as you want or as little as 50 cents. Don’t forget School Banking is a great way to teach kids the importance of saving. Introducing kids to the concept of money from an early age puts them in good stead to make financial decisions later in life.

Gold Platy Trophy

Class 1L is our winner for July.

Fairy Floss

Would you like to learn to make Fairy Floss? It is fun and very easy to make this sweet treat. We need some new enthusiastic individuals to come forward to learn how to use the fairy floss machine for events such as Family Fun Day. Please email Leanne at rlmcindoe@hotmail.com.

5 Cent Fundraiser

Keep collecting your 5 cent pieces to help your children’s classes. Competition will finish at the end of week 7!

Commonwealth Bank Term 3 Competition

We are bringing the exciting news that an Intergalactic Prize Portal has appeared on Planet Savings, giving students who demonstrate good savings behaviour the chance to win amazing prizes.

- 75 x iPad minis Wi-Fi 16GB
- 125 x Beats by Dr. Dre Solo Headphones
- 200 x $30 Booktopia Gift Certificates

To activate the Prize Portal, students must simply make three or more School Banking deposits during Term 3 and they will automatically be entered into the competition for a chance to win one of hundreds of prizes. Students can also complete a Money Mission at www.commbank.com.au/prizeportal (Link below) to double their chance of winning a prize.

Win books for your school library

The Commonwealth Bank is giving schools participating in the School Banking program a chance to win one of 75 sets of children’s books for their school library, valued at $200.

For more information visit the following link:
Banking Rewards
The reward items touching down to earth in Term 3 are:

- Cosmic Light Beam Torch
- Glow-in-the-Dark Solar System
- The Invisible Ink Martian Pen and Intergalactic Rocket are still available as well.

Banker of the Week
Our lucky banker this week is Shelby. Each week a lucky banker will be drawn and gets to choose a prize from our prize bank. Don’t forget you have to bank each week to go into the draw.

Young Athletes Travel Subsidy
The Young Athletes Travel Subsidy (travel subsidy) replaced the Young Athlete Assistance Program on 1 July 2015. Applications for the Young Athletes Travel Subsidy are now open.

The principles of the programs are the same, but the new travel subsidy will provide additional financial assistance through 3 event tiers. As with the previous program, athletes and officials, who were under 18 at the start of the event, can only apply for the funding after they have competed or officiated at an event, and within 6 months of participating.

Subsidies are provided retrospectively under a tiered funding model, with applicants eligible once every 2 calendar years at each tier.

Note: If you attended an event conducted between 16 December 2014 and 31 January 2015, you have until 31 July 2015 to apply to allow for the transition from the Young Athlete Assistance Program to the Young Athletes Travel Subsidy.

Program Eligibility can be found at

What funding is available?
The travel subsidy will allow up to a maximum of $1,200 in financial assistance over the 3 event tiers, once every 2 calendar years. Eligible athletes and officials can apply for 1 event per tier once every second calendar year.

- State or state school event - $200 - State Event - Apply
- National or national school event - $400 - National Event - Apply
Applicants who received funding for attendance at state, national or international events under the Young Athlete Assistance Program for events held from 1 January to 15 December 2014 will not be able to apply for attendance at a state event in 2015 (i.e. if your last approved event was held in 2013, you can apply for state event funding in 2015. If your last approved event was held in 2014, you can apply for state event funding in 2016). You will still be eligible to apply for funding for attendance at one national and/or one international event from 1 July 2015.

Fact: Australians create about 28 million tonnes of garbage every year. Just over one third of this material is recovered for recycling.

Fact: Australians are the second highest producers of waste, per person, in the world with each of us sending almost 690kg of waste to landfill each year (The United States is the highest waste producer).

Fact: Australian households generate almost one-fifth of Australia's greenhouse gases - more than 15 tonnes per household each year - through everyday activities such as transport, household energy use and the decay of household waste in landfills.

Fact: When paper is disposed of to landfill it creates methane as it breaks down. Methane is a major greenhouse gas that contributes to global warming.

Fact: The energy it would require to run a 100-watt light bulb for four hours is saved by recycling one glass bottle.

Fact: Manufacturing with recycled glass uses less energy because recycled glass melts at a lower temperature than virgin raw materials.

Fact: Once an aluminium can is recycled, it's back on the grocery shelf as another aluminium can in 60 days.

Have you spotted a threatened species or want to become more involved in helping save threatened species?

Spot our Species is a mobile-enabled app that provides location-relevant information on threatened species, habitats, species recovery actions, and threats. It is a great tool to engage children and young adults in the world of threatened species and help them to learn more about the species we live with. Users can find out how to get involved in species conservation by searching community groups.

The app also connects with the Atlas of Living Australia and allows you to record and submit your own wildlife sightings and keep a record of what you have spotted.

Spot our Species has been been optimised for mobile devices such as mobile phones and tablets.

You can access the app on your phone or computer.
