Our school initiatives are on track to meet or exceed our targets

During 2016, we focused on maximising the benefits of this funding for our students. After reviewing our 2016 *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Embedded a Growth Coaching Model to build capacity through Literacy and Numeracy Coaching
- Observation and Feedback processes focused on pedagogical improvement
- Professional Learning Teams who meet regularly to plan and share effective approaches to learning
- Implementation of research-based programs such as Gradual Release of Responsibility Model, Get Reading Right, Reading Links, Early Years Oral Language Program, Phonological Awareness Program
- Enhanced teacher supports in classrooms including teacher aide support to enhance the teaching of Literacy and Numeracy
- Monitor student achievement and provide timely intervention to students who are at-risk
- Embed a same day notification system to report non-attendance for all students and to request explanation for absence
- Continue to explore high yield approaches to ensure the effective teaching of Literacy and Numeracy
