Student Dress Code

At Tinana State School, our dress code provides clothing that aims to contribute to a safe and supportive teaching and learning environment through:

- ready identification of students and non-students at school;
- fostering a sense of belonging; and
- developing inclusive, mutual respect among students by minimising visible evidence of economic or social differences.

Our student dress code reflects school community standards and is consistent with occupational health and safety and anti-discrimination legislation.

The Student Dress Code is considered part of the schools Responsible Behaviour Plan.
